

## Drive Higher Profits on Retail Sales and Leases.

**The addition of  
Interior/Exterior Repair  
makes for our most  
comprehensive bundle  
coverage yet.**

Our newest PreferredPlus Protection program takes our already best-in-class program to the next level. Not only has RoadVantage reduced exclusions and upgraded coverage, now we have enhanced our already best-in-class PreferredPlus Protection program by adding Interior/Exterior Repair.

This added coverage also makes this program an ideal solution for lease customers—it's better than a typical lease "wear & tear" program because it provides benefits to customers during the life of their lease, rather than just at the lease end.

Another industry first from RoadVantage.
