

Thank you for registering for your shot(s) with Passport Health!

Here's what you will need to bring with you to the clinic:

- Driver's License or State ID
- Insurance Card
- For anyone wanting the B-12 shot, and for anyone without insurance, you will need cash, check, or a credit card.

Remember to wear clothing that allows the immunizer to easily access the shoulder area for a more efficient vaccination process, like a t-shirt and/or easy to remove layers.

Costs of the vaccines:

- Influenza Quadrivalent (Flu) - \$45 (only if without insurance)
- B-12 Injection - \$25
